ABOUT US

- **UNIPEG PVC Edge Band** has grown into one of India's trusted names in premium edge banding solutions. What began as a small manufacturing initiative has evolved into a high-capacity, quality-driven brand serving **OEMs, distributors, carpenters, and modular furniture manufacturers** across the country.
- With a strong commitment to **precision, durability, and shade accuracy**, Unipeg delivers PVC edge bands that seamlessly match leading laminate brands, ensuring a perfect harmony between surfaces and edges. Each product reflects our continuous investment in advanced technology, strict quality standards, and customer-focused innovation.
- Over the years, we have expanded our capabilities with large-scale production facilities, an extensive shade library, and efficient nationwide supply. Today, Unipeg stands for **trust, consistency, and craftsmanship**—helping customers build furniture that lasts longer and looks better.

Royal Series

WHY UNIPEG ?

- At UNIPEG PVC EDGE BAND, We ensure that each meter has met all set standards with high quality.
- We use only high-quality PVC Compound.
- We stick using only high-quality INKs and Primer for life time durability for all Furniture Products.
- Worldclass colour pigments are used for achieving best aesthetic appearance for all colours.
